

PENNSYLVANIA PSYCHOLOGICAL ASSOCIATION 2010 SCIENCE-PRACTICE RESEARCH POSTER SESSION

The Pennsylvania Psychological Association's Convention Committee is sponsoring a **SCIENCE-PRACTICE RESEARCH POSTER SESSION** on Friday, June 19, 2010, in conjunction with the Annual Convention at the Hilton Harrisburg.

Any psychologist in Pennsylvania completing psychological research (quantitative, qualitative, and advanced review) is encouraged to submit a poster proposal. Members of the Convention Committee will review all submissions and notify applicants regarding acceptance by **May 10, 2010**. The Convention Committee will also select **one** submission for an award by **May 10, 2010**, which will be recognized at the Annual Convention on June 18, 2010, during the Awards Ceremony.

Research submissions include:

1. A Cover Sheet (see attached form);
2. A 100-word abstract; and
3. A 500 to 1,000-word summary of your research (in APA format), including an introduction (relevant literature, statement of the problem, research questions), method (subjects, procedures), results, and discussion (conclusions, limitations and implications).

Please submit the above information in typed form by **April 1, 2010, (postmark deadline)** to:

Pennsylvania Psychological Association
Marti Evans, Conference Manager
416 Forster Street
Harrisburg, PA 17102-1748
mevans@papsy.org

If you have any questions, please contact Marti Evans at 717-232-3817 or mevans@papsy.org.

Research submissions will be reviewed on the following criteria:

1. Clarity of the project and writing style (APA format);
2. Soundness of the research design;
3. Clarity and soundness of the results and discussion (projects must be complete at the time of proposal);
4. Implications and contributions to the field;
5. Relevance to the conference theme; and
6. Author's contributions to the project.

The theme of this year's convention is "**Psychology in the Digital Age: Choices and Opportunities.**" The Convention Booklet will be published in April. The PPA Annual Convention provides an excellent opportunity for psychologists to learn more about current issues, major trends, and new approaches in psychology, as well as to meet psychologists from throughout Pennsylvania who are active in research, teaching, clinical practice, and social policy.

We look forward to your participation!
